

Lessonplan for 5 to 7 year olds

Goal

Raise awareness among the children about the fact that not every country has as much food as we do.

Introduction

Bring food to class.

Read the hungry caterpillar

Discuss different types of food and who has eaten which kind.

Core

Bring in fruits and a world map.

Present the fruits to the group, identify the fruits first, then sort them on the world map.

Talk about it, explain, that not all over the world you can plant fruits. In a desert, for example, there isn't that much possibility to plant things

Children are collecting coins for right answers.

In the end, there is a difference in the amount of coins the children have.

Link this to the situation in the world, there are people/countries who do not have enough money to buy or grow food. How can we help?

Children bring up suggestions.

There are organizations who can help

Present seeds for food

How can we collect seeds?

Art lesson

Goal

Make a clay bowl. The children are already collecting seeds that they will plant in the bowl.
